

HOCKEY TOP TENNESSEE!!

2019-2020 COOL SPORTS HOCKEY PROGRAM GUIDE

The Cool Sports hockey department is excited to offer a multitude of options for our youth hockey players this winter season. Whether you're a brand new hockey player between the ages of 4-9 heading for our flagship learn-to-play experience The Little Preds or you're a returning Pee Wee/Bantam aged player looking to take advantage of our new extended practice slots that allow for individual skills and team oriented time, we're confident the choices below will hold some great options for your needs.

Please keep in mind all of our leagues & clinics offer drop-in opportunities for those families who can't make full session commitments. Thursday night clinic slots are a perfect example for families who want to get on the ice but have limited flexibility in their evening schedules, just join us when you can.

Some highlights for the 19-20 season include the ever popular "Market Square Winter Classic" for our mites, draft parties for our squirt and pw/b groups, the High School league run by the Knoxville Ice Bears downtown at the Civic Coliseum. Save the date for our Cool Sports/KAHA "Hockey Top Tailgate Party" to celebrate the first game day of the season for all ages on **Saturday, October 12th** featuring special guest KAHA alumni & UFC star **Scott "Hot Sauce" Holtzman**.

To participate in any of our leagues (*not including Little Preds*) your son or daughter will need a [2019-2020 USA Hockey membership](#) registration as well as a [2019-2020 KAHA membership](#) registration.

Questions? Please email Mike Craigen at adulthockey@coolsportstn.com or simply click the program names below to be redirected to our registration/information links.

Please click on [blue links](#) in left column for registration information or more details.
